

COPYRIGHT AGREEMENT FORM

This form must be signed by corresponding author whose manuscript has been received and if accepted will be published in MALAYSIAN JOURNAL OF NUTRITION

Title of article:

.....
.....
.....
.....
.....
.....

In consideration of the publication of my/our article in the above journal, I/we hereby warrant:

1. That this article is the author(s)' original work, has not been previously published elsewhere either in printed or electronic form (including World Wide Web homepages, discussion groups and other electronic bulletin boards), and is not under consideration for publication elsewhere;
2. That I/we have complied with the above journal's policies as described in the "Journal Policies" available for download on the journal's website.
3. That I/we have obtained permission for and acknowledged the source of any illustrations, diagrams or other material included in the article of which I/we are not the copyright owner(s).
4. That in the case of joint authorship, I have been authorised by all authors to sign this agreement on their behalf, and that I have printed the full names of all co-authors in block letters below.
5. That in the case of joint authorship, I confirm that all authors contributed sufficiently in the intellectual content, conception and design of this work or the analysis and interpretation of the data, and the writing of the manuscript.
6. I/we take public responsibility if the work is published in the above journal and have agreed to have our name listed as an author.
7. I/we agree that if requested by the editors of the above journal, I/we will provide the data / information or will cooperate fully in obtaining or providing the data /

information on which the manuscript is based, for examination by editors or their assignees.

In consideration of the publication of my/our article in the above journal, I/we hereby assign to the Malaysian Journal of Nutrition the present and/or future copyright throughout the world in any form and in any language (including without limitation on optical disk, transmission over the internet, cloud storage, and other communications networks, and in any other electronic form).

I/we understand that I/we retain my/our moral rights in the article including the right to be identified as the author(s) whenever and wherever the article is published. I/we also retain a perpetual, non-exclusive license to publish and distribute all or part of the above paper, provided that advance notice of the intended publication is given by the author(s) to the original publisher, the actual typeset original format is not reproduced, and proper credit is given to the original publication.

Signed by,
